

Covid Credit

For those who were enrolled in and paid in full in Semester II (spring 2020) we are offering a credit towards your fall tuition. The credit will be applied in this way —

If you took one class Semester II you will receive \$25 credit towards one class in the fall semester.

If you took two classes you will receive \$50 credit towards two classes in the fall semester.

You can receive up to \$100 credit if you took four classes and are signing up for four or more classes. No credit over \$100 will be given.

You will not receive more than \$25 per class for the classes for which you are signing up. For example, if you took two classes but are only signing up for one class you will receive \$25 credit, not \$50. If you took two classes and are signing up for three you will receive \$50 credit.

Please fill in this form and turn it in with your registration form and deposit. If you choose not to receive credit and would like to apply it towards the operating costs of Ballet Durango we appreciate your support. You do not need to fill out this form.

Name _____

Number of classes you are enrolling in _____

Number of classes you were enrolled in for Semester II _____

_____ Yes, I would like to receive credit towards fall tuition
